Is your Government Agency looking for short term office accommodation for tender teams or mission teams?

Are you currently renovating and are you looking for temporary office space to move your teams, sections or divisions?

Are you looking for office space in Canberra as your Australian headquarters?

Are you planning to open a Canberra branch?

Do you need additional office space because your business is expanding?

Is your office lease running out but you have no new place to go to?

Are you running your business from home and you need a professional receptionist to take your calls and you need office space for your meetings?

Are you looking to break into the Canberra market from an attractive Business Centre?

Are you looking to create the right impression to your clients?

Are you looking to put your agency where it needs to be without going through the time-consuming and expensive process of securing long-term office space?

Are you a mobile professional who needs to improvise to accomplish basic business tasks on the road?

Are you looking to establish a local market presence without having to relocate your business, and enjoy the benefits of full administrative support?

Welcome to the Serron CyberCentre, Canberra's newest Australian business centre that delivers solutions to all these needs.

Serron was officially opened by Senator Gary Humphries on February 27th, 2003.

Since 2003, Serron has become one of Canberra's most popular business centres that provides office accommodation to both Corporate and Government teams.

Serron's mission is to provide professional and fully serviced office accommodation at a fair price to all Australians, not just to executives.

Our Aussie team delivers service with a smile and ensure smooth transition and operation.

Our Aussie spirit promotes corporate mateship.

Our rates are very reasonable and our service is superb.

So if you are looking for professional serviced office accommodation put Serron on your list and **switch on at Serron** for a tour.
